

US CourtScript Adds Auscript's UK Court Reporting Operations

PRESS RELEASE – October 6, 2020

RA'ANANA, ISRAEL – Nili Capital Partners (“Nili”) today announced that its portfolio company, US CourtScript (“USCS”), a leading global technology enabled court reporting and transcription company, has completed a milestone investment with the acquisition of Auscript Limited (“Auscript UK”), the United Kingdom court reporting operations of Auscript Australasia Pty Ltd (“Auscript”). Headquartered in Brisbane, Auscript is the largest transcription provider in Australia.

Aryeh Bak, CEO of USCS said, “We are excited to enter the global market through the acquisition of Auscript UK. Auscript UK’s reputation and long-standing customers will offer us an excellent platform for accelerated growth outside of the US. We are eager to extend our industry leading technology and customer service to provide their customers enhanced benefits and quality. We also look forward to a mutually beneficial ongoing relationship with Auscript and For The Record.”

“The Auscript UK acquisition is a major step in the expansion of USCS as a global leader in the court reporting and transcription services industry,” said Josef Mandelbaum, a General Partner with Nili and a Director of USCS. “USCS’s acquisition of Auscript UK is a perfect example of how they can leverage their industry leading technology and customer service to offer a superior experience to their clients.”
